

Who lost the button ?? (Felicity).

what clothing were they wearing ?? (Black Dress)

How did they lose it ?? (White. petty or winter Jacket)
at christmas party.

The colours of China, Christmas and
wrapping paper, infrared birds eye view from
a helicopter, weather is cold windy and is
pitched with snow, looks like it's alienated
in the county side, possible by mountains.

"Everything's ready, time to go."

I wonder if tonight will be a show

Grab my keys as the taxi's waiting.

Back on my mind ~~to~~ "I've gone get to late in"

Not too interested, as I like to remember.

But my impulsiveness rules me down for whatever.

I can't stand the stories or the Chinese mystery
time to grow up god damn I'm a "man".

I came home with some presents and a missing button.

Dont know how I lost it but I'll get me a new one,

It was a good night, just must have got wild.

(Clothes been getting ~~more~~ rarer since I was a child
